

Labor Law

We provide advice to national and foreign clients in:

- Interpretation of Panamanian labor laws.
- Preparation and revision of employment contracts.
- Processing of work permits for foreigners.
- Individual conciliations and collective mediations.
- Preparation and application of the necessary regulations for companies that carry out operations in Panama.
- Projection of labor liabilities.
- In general, all aspects of labor law that affect the employer-employee relationship and that have a great impact on their business.
